From the Athletic Director:

Hello Bruin fans,

We are the **2017-2018 MIIC All-Sports Champions** for Boys Sports!

As we look back on the year, we have a lot to celebrate. Over 100 student athletes made the honor roll each athletic season.

We had individual conference champions in cross country, wrestling, swimming and diving, and track and field.

27 different school records were broken.

8 teams were conference or county runners-up and our boys cross country team was Marion County Champions.

To those eighth graders who are leaving us next week, thank you for your efforts these past two years and best wishes for future success. To those sixth graders who will enter our school next fall, welcome and we look forward to your future success.
